

BISMILLAH (Lyrics)

**I am a Muslim, two things I say
In every thing I do every day.
"Bismillah", "Al Hamdulillah."**

**I am a Muslim and this I know.
I need to eat so that I will grow.
When we eat we say: "Bismillah."
When we're full we say: "Al Hamdulillah."**

**Water, juice and milk - these I think
Are so delicious for me to drink.
When we drink we say: "Bismillah."
When we're done we say: "Al Hamdulillah."**

**Going out with my mom and dad.
Coming home, oh what fun we had!
Driving in the car "Bismillah."
Coming safely home "Al Hamdulillah."**

**We go to sleep saying Allah's name
and in the morning we do the same.
When we sleep we say: "Bismillah."
When we rise we say: "Al Hamdulillah."**

**I am a Muslim, two things I say
In every thing I do every day.
"Bismillah," "Al Hamdulillah."**
