

Color of Islam

By : Dawud Wharnsby

**Allah made us all a different shade and colour.
Nations and tribes recognize one another!
'cause every single person is your sister or brother.
So many different colours of Islam.**

**Fill the world with colour, paint it everywhere you go.
Paint everything you see, and tell everyone you know.
Qur'an will be your paint, and your brush will be iman,
So fill the world with colour, every colour of Islam.**

**Truth as clear and blue as the sky we walk under.
Love as bright and loud as the lightening and thunder.
Peace as pure and white as the moon, so full of wonder.
So many different colours of Islam!**

**Fill the world with colour, paint it everywhere you go.
Paint everything you see, and tell everyone you know.
Qur'an will be your paint, and your brush will be iman,
So fill the world with colour, every colour of Islam.**

**Smiles, warm and shining, like the sun upon our faces.
Hope as rich and green as the trees of an oasis.
The colours of our faith bloom in so many places.
So many different colours of Islam**

**Fill the world with colour, paint it everywhere you go.
Paint everything you see, and tell everyone you know.
Qur'an will be your paint, and your brush will be iman,
So fill the world with colour, every colour of Islam.**
