

"Original Fast Knowledge"

When I wake up in the morning
I remember Allah
In the middle of the night
I remember Allah
Before I go to school
I remember Allah
and when I fly my kite
I remember Allah

Chorus
Do you remember Allah
Yes I remember Allah
Do you remember Allah
Yes I remember Allah

We remember Allah
They remember Allah
He remembers Allah
She remembers Allah

Before I eat or drink
I remember Allah
Or when I'm getting dressed
I remember Allah

Before I go to sleep
I remember Allah
Or even when I sit
I remember Allah

Chorus
Do you remember Allah
Yes I remember Allah
Do you remember Allah
Yes I remember Allah

We remember Allah
They remember Allah
He remembers Allah
She remembers Allah

I remember, I remember
You remember, you remember

We remember, we remember
They remember, they remember

He remembers, He remembers
She remember, She remembers

I pray 5 times a day
to remember Allah

and fast in Ramadan
to remember Allah
Pay all of my Zakat
to remember Allah
And go away to Hajj
to remember Allah

Chorus
Do you remember Allah
Yes I remember Allah
Do you remember Allah
Yes I remember Allah

I remember Allah
You remember Allah
We remember Allah
They remember Allah
He remembers Allah
She remembers Allah
