Jae Deen K Z ah  
Bismillah let's Go

Mecca i am on my way  
Book a flight I'm trying to stay  
Pilgrimage for five whole days  
But first off i'mma start by saying this  
I'm doing Hajj to get rid of my sins  
And this the spot where prophet Muhammed  
((saw)) lived

Say Mecca i am on my way  
Mecca i am on my way

Mu-Mu-Mu-Muslims from around the globe  
Everybody wearing white clothes  
Round and round we make tawaf  
Run between Safa Marwa  
Dreaming just kiss the black stone  
The place where Islam was born  
I swear this place feels like home  
Mecca shines bright like New York

Feel the angels surrounding me I think  
Sip the ZamZam water cause that's my favorite  
drink  
That Deen Squad I'm rolling with my clique  
Throw the pebbles at shaytan and I won't miss

Mecca i am on my way  
Book a flight I'm trying to stay  
Pilgrimage for five whole days  
But first off i'mma start by saying this

Committing a lot of these sins  
So I go to Hajj  
So now it's just time to repent  
My Brother Jae he going hard with the Deen
